WRMC

Minutes for Board Meeting Sunday, February 15, 1976

The Meeting was called to order at 10:09

In attendance: Dave, Anne, George, Framk, Todd, Jon, Charlie, Joan, Nick, Stewart, Lorrie, Adrian, and special guest bozo, Mikey M., token peon.

Anne decided to call a meeting for all news personnel at 7:00 P.M., Tuesday, February 17.
Frank suggested having a personnel meeting at 4:00 and 7:00 P.M. on the same day so that one could follow the other; this was later switched to Wednesday, February 18.

Regular programming is set to resume February 23 at 6:00 A.M., with full news and special production coverage.

Since sports spending has put that department with one foot in the grave and the other on a banana peel, Joan and Dave suggested taking a voice vote on covering any possible deficit with surpluses from other department rather than going to the contingency fund. The idea passed unanimously.

Stewart was appointed, or volunteered, or suckered into, looking into Winter Carnival Advertising.

Charlie was reminded to call Hugh McKinney, the first-class engineer, about the station's Spring Term check-up.

After detailed examination, Charlie recommends not buying a new sparta board; but insists that the tone arm and amplifiers are relatively worthless.

Joan will type up a new Board list.

The meeting was dajourned at 11:07, after much complaining from Anne about the little amount done in the great amount of time.

WRMC

Minutes for Board Meeting February 22, 1976

The meeting was called to order at 5:42.
In attendance: Dave, Todd, Frank, Steve, Charlie, Carolyn, Scott, Cheri, Charles, Joan, Stewart, Nick, and Jon.

The schedule for Spring term was passed unanimously.

Leon DeMers will come to sign provisionals Tuesday at 8:00 P.M. If there are any new DJ's without provisionals, let Frank know.

Someone is supposed to talk to Paul about the Nederlands tapes rotting in the record library that were supposed to be sent back years ago.

Someone or something has abducted with 3 or 4 episodes of "You Bet Your Life". (The WRMC Missing Tapes - Nixon at Middlebury - has Rosemary Woods had her hand in this, or is Jackie Flickinger suspect?) If anyone knows anything about them, tell Todd.

Marian might be put in charge of selling advertising for the Spring edition of FMphasis. All Programming people should get their DJ's schedules in to Dave as soon as possible. News and Special Productions should get in a tentative broadcasting schedule.

Winter Carnival reports will begin Friday, February 27 and continue through Saturday. They will be a minimum of 7-10 minutes long. Scott made out a tentative schedule of reports: On the half hour starting at 8:30 A.M. through 1:30 P.M.; basketball at 2:00, billboards at half-time and the end of the game. More reports between the first 2 periods of the hockey game and on the evening news.
Saturday: Reports every hour on the half hour from 8:30-4:30 or to completion. Bread Loaf reports will be made at 1:30, 2:30, and 3:30.

Frank moved that to ensure station cleanliness (or to create such a novel phenomenon), all food should be prohibited on station premises. McCarthy seconded, but the vote failed due to a strong bloc of hard-core dinner addicts. But then again, Frank only wanted it for the record.

Joan asked that people tried to limit long-distance phone calls, and that they keep a record of those that they make.
All directors are asked to submit budget statements of all major expenditures they expect to make Spring term, and to make a list of expenditures they might be needing in the Spring. This is requested to be completed by 2 weeks from this date.

Charlie said that it would be feasible to broadcast live from McCullough Gym for the Blood Drive March 11. It was decided that we should attempt to do this from 9:30-2:30, depending on the health of the Spartaboard.

All fines collected for late records will go to the replacement record fund.

Frank asked anyone with complaints about DJ's to come to him, Jon, or Paul.

The meeting was adjourned at 6:54 P.M.

WRMC-FM Minutes for the Board Meeting of February 19, 1976

In Attendance: Carolyn, Steve, Paul, Charlie, Todd, Cheri, Nick, Dave, Stewart, Jon, Adrian, Marian, Frank, Anne, Joyce

The Meeting was called to order at 4:40

The tone arm has been ordered and should be inon March 10 in time for the blood drive. Frank will talk to Mrs. Flickinger (about what, I'm not sure but I'm only tyoing these minutes, having been in the swimming pool at the time of the meeting)
The Concert for the Trombonists and pianist is tentatively scheduled for March 14 - we should try to cover expenses
Staff lists should be in - Dave wants a copy of them all.
Winter Carnival was eked out through some excellent selling by Marian. It was urged that organization should be taken care of a lot sooner next year - Marain will make a report to help whoever's organizing it. It was recommended that some reports should be taped and archived.

FMphasis - Marian and Joyce are coordinating efforts. Marian will do the selling. Programming and Special Prod. still have to get program lists in to Dave. Addison Press will charge $10 if we do the paste-up ourselves. We have made a kind of unauthorized deal with the Campus, who owe us money for Primary expenses. The due date for paste up is March 11; all junk should be in by this Friday.
The record library reports that the cash box is still not in. A new lock is needed. Nick wants to file 45's, but needs money for wood (?). This will come out of the Record Library budget.
The new EBS monitor is in and will be installed next weekend. The staff will be alerted to use it through the news letter.
Programming cancellations will be made 24 hours in advance. Notices should go to the Programming Director, Station Manger, and Traffic Manager, as well as the department in question. If the cancellation has to be made within a 24-hour period, it will be amde at the discretion of Frank, Dave, and Jon.
The highlights of the Town Meeting will be broadcast tomorrow night - Katie will cover it. There will be a three-minute report every hour on the half-hour, starting after the evening concert.. It will be reported over the phone and patched through the board.
Dave is meeting with Ken Norris tomorrow about our sports exclusivity rights.
Settle up all key money with Dave as soon as possible.
There will be no more eating anywhere on station premises except the business office. Whoever is in charge of cleaning had better do a better job than has been done in the past few weeks.
Unauthorized phone calls are a mess. They're amounting to at least $10 and usually more a month. Dave moved that we remove the phones in the business office and news room, lock the phone in the prod room, give each director a key. Frank said that this presents a problem for people trying to find subs. An alternate idea was proposed that the business phone be removed, the news room locked, and then the DJ had to be responsible for all phones, but the newscasters could unlock the news room phone by getting a master from the studio. From now on, all long-distance calls must be logged; unlogged calls will be traced.
Business phone will be locked with Dave having the only key. The news room will also be locked with Anne having the only key - the motion passed for a one-month period.
Brooke Brody was nominated for Commentary Board chairman; discussion was deferred until next week.
The meeting adjourned at 5:55.

WRMC-FM Minutes for the Board Meeting of ~~[illegible]~~ March 7, 1976

In attendance: David, Frank, Charlie, Todd, Anne, Joan, Cheri, Charles, Brooke, Stewart, Nick
The meeting was called to order at 10:12.

The Blood Drive will be Thursday; however, the tone arm is not in yet. Joan will have purchasing call SHure Bros. to find out what the problem is. We will be having periodic drawings for the Elvin Bishop concert in Burlington.

All Staff lists except buiness ar in.

The news department would like to have the Grout Room sponsor some tapes for 2 special shows sometime this semeter.

FMphasis- a voice vote was taken to have the Campus do the layout in exchange for their Primary expenses, unknown to the Campus Business Manager. Pam Cross said she coyld do the layout by next Friday. The measure passed. Lets hope the Campus approves after they find out.

Brooke Brody was again nominated for the Commentary Board Chairmanshi . Discussion centered around Frank's concern that the Board's quality had been leaning toward "BLEEAUGH and BL CCH" in the past few months; and could this trend be reversed or is it a terminal disease??????? Brooke, suavely answering his critics, leaned back and calmly atoned himself be voted into office unanimously on a voice vote.

The Messiah, Dennis Elsas of WNEW-FM (a real station) will be speaking in Munroe Faculty Lounge at 4:00 on the 17th or the 24th (and he might even broadcast from our massive studios overlooking the Proctor Parking Lot). Frank furtively hinted at still greater rewards to be ours, but claimed that he was "sworn to secrecy". He will go before the Finance Committee t get money from the Speaker's Fund.

Dave said it was very bad news with Ken Norris - our exclusivity seems a thing of the past. Frank will write a resolution to be signed by the staff expressing our feelings against this decision; and Joan will figure out ahow huge our deficit would be had we done what was expected of us in broadcasting away games this year.

Anne would like to hold the Board meetings somewhere away fro the station; the feeling in general among the Board members id we have enough to do around this ~~[illegible]~~ lavish studio.

The EBS monitor is in and already Charlie says it is off to a "shocking" start.

The meeting was adjourned at 11:12.

WRMC Board Meeting
Nov. 10, 1980

Members present: Billy Winkelman, Ben K. Roe, John Buerger, Lauren Ross, Jake Fischer, Dan Newberry, Andy Kleit, Hugh Montgomery, Tom Cagnina, Tom Pansky, Paul Hopkins, Matt McGuire, Annie Bailey, Doug Ashford.

Meeting called to order at 5:49 P.M.

Ben announced the dates for nominations to board:
12/1: nominations accepted
12/5: cut-off date for nominations
12/8: elections in Proctor Lounge

Ben presented correct license renewal forms from FCC.

Ben sent out the call to have any message taken to be left on the message board.

Ben announced that renovation plans had to be decided by the board immediately. The board debated. The decision: WRMC will go off the air on 12/7 and renovations will start on 12/8. The station will go back on the air as soon as possible in Winter Term.

Matt presented Caleb Rick's ideas for hockey game coverage. The board decided to invite Caleb to the next meeting to discuss the matter.

Ben thanked all of those who participated in the station's election coverage.

Lauren wondered what has happened to the number of 40-second news carts.

Hugh announced that the staff party is booked at The Alibi on 12/7.

Ben announced the date (2/1/81) for the next WRMC-sponsored movie ("The Last Waltz").

Meeting closed at 6:15.

Tenative Agenda for WRMC Alumni Advisory Board Meeting
Saturday, October 7, 1989

Renovation of Gifford caused transmitter difficulties ultimately resulting in the disruption of transmission for the period of two weeks. The out-dated equipment requires the use of many adapters to function which results in the loss of power. In the event that the transmitter is repairable, the next breakdown would render the equipment useless.

WRMC needs storage space in the record library. The easiest route of expansion would be to tear down the wall of the engineering storage room. Unfortunately, the engineering storage room is almost full of equipment and cannot be moved to another storage room due to the lack of College space.

The possibility of switching from AP Network News to a "top three" network affiliate is pending. The reason for this proposed move is lack of AP Audio availability and quality of transmission.

Headphones are constantly in need of being replaced, and the Finance Committee has decided against funding a rolling budget to purchase headphones. This means that since there is no line item, any purchase of headphones must be pre-approved by the Finance Committee before ordering; therefore, if one of the two available headphones should fail, WRMC will be without it for a period of two or three weeks.

Black Cow Café, an alternative to other music events on campus, has been in existence for two years and is working out very well. Black Cow Café serves to bring new bands to the Middlebury campus.

This past spring, WRMC opted for a new programming format to retain classical and folk music while shortening the number of hours of such music. This was instituted in order to widen the spectrum of programming taste to allow for new types of music, such as the up-and-coming urban contemporary music, and heavy metal music, which has been well received.

Minutes for WRMC's Inaugural Alumni Advisory Board Meeting
10:30 a.m. Saturday, October 7, 1989

WMNM, a station Port Henry, New York, is petitioning the FCC for an increase in power, ultimately resulting in coverage into Vermont and air-space covered by WRMC. As WMNM is located at 92.1 FM, this power increase would create an overlap with WRMC. Therefore, WMNM is requesting that WRMC move to 89.9 FM in exchange for reasonable compensation. The Alumni Advisory Board and the current student board discussed this issue and plan to research options open to WRMC. The general feeling was for WRMC to accept WMNM's offer of monetary compensation.

Renovation of Gifford caused transmitter difficulties ultimately resulting in the disruption of transmission for the period of one and a half weeks. The out-dated equipment requires the use of many adapters to function which results in the loss of power. In the event that the transmitter is repairable, the next breakdown would render the equipment useless. One alternative which the AAB and the student board discussed was a change in the location of the transmitter, moving it from Gifford Hall on the Middlebury Campus to Chipman Hill, on the northeast side of the town of Middlebury.

The possibility of switching from AP Network News to a "top three" network affiliate is pending. The reason for this proposed move is lack of AP Audio availability and quality of transmission. The AAB and the student board discussed the advantage of satellite reception, taking into account the long-term benefits, the move of many networks to satellite feed, and the quality of sound.

This past spring, WRMC opted for a new programming format to retain classical and folk music while shortening the number of hours of such music. This was instituted in order to widen the spectrum of programming taste to allow for new types of music, such as the up-and-coming urban contemporary music and heavy metal music (which has been well received) and in order to include the community as an audience. The AAB and student board both expressed concern on the issue of retaining the community audience.

General Business: The transmitter parts have been ordered and are reportedly on the way. Tomorrow airchecks begin for all D.J.s. The problem of announcers referring to their close friends over the air rather than addressing the whole Middlebury audience was discussed. Also discussed was the use of the "388" before refering to the stations open lines. It was reported that the Black Cow Cafe went well and there is reportedly another one, featuring the Janglers on Nov. 10. Tickets for the Dirty Dozen Jazz Band are coming soon. The sports department has reported success in broadcasting the football games. Also they reported investigation into Winter term scheduling has begun.

General Business: It has been announced that the station will return to full power this weekend allowing WRMC to get off the campus. The programming director has announced airchecks this week as well as Thanksgiving break show signups. The relationship between WRMC and MCAB was discussed at length. Starting off the discussion was an attempt to get people signed up for helping set up the Jangler's show on the 10th. Also brought up was the amount of reponsibility WRMC should show towards the choice, setup, and production of Black Cow Cafe events. More participaton in MCAB meetings was stressed. Because of an apparent lack of input into the Campus their is a possibilty of sending our weekly playlists to the newspaper. A Black Cow Cafe show is scheduled for Dec. 1. A proffessional engineer has been hired. Finally the reality of changing our frequency to 89.9 could be nullified due to its closeness to WRUV, which broadcasts at 90.1 .

General Business: The transmitter has a burned out output board. WRMC is waiting for a few resistors. Full power is expected by this weekend(11/16-17). The Black Cow Cafe, featuring the Janglers, on November 10 went well. The Cynics will be playing at Black Cow on December 1. Discussion of WRMC's conflicts with MCAB over potential bands to play at Black Cow. Some suggestions: Red Hot Chili Peppers, Bad Brains

Programming: Sign-ups for Thanksgiving break shows are next week. The airchecks went well, except for the fact that about fifteen blank tapes were stolen. Discussion of putting out tapes without cases and labels next time. There was a misunderstanding in the German show last week. The DJ broadcast a speech by Hitler without properly announcing it. A playlist will be coming out soon.

Minutes of WRMC Meeting - November 29, 1989

DEC 0 5 1989

Present: Bob Peskin, Advisor
Christine Smith, Faculty
Nicola Bradley, SGA Reprsentative
Mark Lieberfreund, Station Manager
Chip Hart, Program Director
Steve Long, Music Director
Matt Pakos, Incoming Station Manager
Jim Ross, College Business Manager
Cathy Walsh, Director Student Activities

Absent: Arshad Ahmad, SGA Representative
Beth Karnes, Language School

1. Fine Arts: Applications for the three positions available in January. Decisions regarding summer staffing will be made by Spring Break.

2. Jim Ross will contact Addison Holly at WFAD to discuss the possibility of our putting our antenna and transmitter on their tower on Chipman Hill.

3. Cathy Walsh will contact Larry Maier for a cost estimate regarding relocation including his time expenditures/billable hours. There would be no additional expense to WFAD once we are there.

4. Whose insurance pays if there is damage to our antenna?

5. Implications of power increase to 1000
- coverage: reduce hours (i.e. 6:00 am to midnight)?
- raise quality of broadcast - (i.e. more training for DJ's)
- fewer people could be on the air, but the plan would be to require a year of engineering, news
- Alums will be an important resource during any changes. NETWORKING.

6. Satellite Dish: A request for information on funding possibilities was forwarded to the Grants Office a few weeks ago.

7. Geonomics pad status - Cathy Walsh called the institute and Michael Claudon is in the Soviet Union until December 7. She will try to make contact with him later on in the month.

8. Get one or two people from the community to join the Advisory Board. Bob Peskin will think about suggestions.

9. Suggestion regarding Winter Term Course. Cathy will ask Judy Nelson regarding procedure for funding to bring back people from the Alumni Board.

10. Suggestions and concerns:
--Program Guide, perhaps with a focus on daytime scheduling
--Promotional Concerns - get the word out at Wright and Johnson.
--Special Productions from 5:00 to 7:00 pm, Monday - Friday: Requires an engineer, however, this is an area that could be

targeted for improvement. Perhaps these students could be resources for special productions.
--Jim Grant does a performance class.

11. Chip Hart will work on maintaining a date book/job description. 120 - 130 DJ's are on the air. (Probably too many.)

12. Nicola Bradley, one of the student representatives, endorsed the ideas of Winter Term Course and the Program Guide. She will be away for spring. Cathy Walsh will ask the SGA to assign a replacement.

13. Ask Finance Committee for a budget for CAMPUS ads/Program Guide.

14. Add meetings of Advisory Board for early March and then again in April. We have agreed to meet three or four times per year.

15. The Community and Alumni Advisory Boards should try to meet together, perhaps at Homecoming next year.

General Business: The next meeting will be on Monday, 26 February 1990 at 6:00 p.m. in Upper Proctor Lounge. This will be our new meeting format for the next few weeks to allow us to have dinner while the board meeting commences.

Jeremy Lee is the new Business Manager.

Each board member is expected to sit in on a graveyard DJ's show to see if everything is going smoothly.

possibility: In the "Campus" our time slot/format list will be published weekly. Top 20 also.

We now have our radio guidelines written up to be signed by the radio staff and returned to WRMC.

The tapes (e.g. HypnoLoveWheel) were sent to MCAB for approval for the April concert.

Programming: The new DJ's are still being broken in, but things are going smoothly.

Special Projects: Amy is now Special Projects Manager.

The meeting was adjourned at 5:35 p.m.

WRMC Board Meeting
26 February 1990

The meeting was called to order at 6:12 p.m.

Members present: Susanne Johnson, Chris Rackowski, Johnathon Freirich, Jordan Lief, Dan Hanson, Jeremy Lee, Emily Locke, Haig Demarjian, Sandy Ho, Kenji Kewanse, Matt Pakos, Amy

General Business: We are now on the air twenty-four hours a day.

The WRMC guidelines have been sent to the new DJ's. It is also imperative that those new DJ's sign their radio license forms now (including the news-people).

The January/February playlist should be completed with in a week.

Sandy Ho is the new Engineering Manager.
Kenji Kewanse is the new News Manager.
Tori Northrop is the new Jazz Manager.

A cost-cutter possibility is to eliminate graveyard shifts and have the station on from 7:00a.m.-3:00a.m.

Our spring program guide will be distributed in the city instead of distributed among the students since our guide will basically be shown in the "Campus".

Engineering: The AP machine was on the fritz again, but the problem was rectified.

Programming: We will strive to eliminate "dead air". It being seen as a real problem.

Classical DJ's have requested more time for their music; therefore, a compromise will try to be reached between the classical department and the Jazz department. The classical department would like each of their classical shows to be one and a half hours long.

Special Projects: Black Cow Cafe -- The meeting for the show on 15 March will be within the next few days.

General: The nominations for the empty board slots for the rest of our fiscal year are:

Mark -- special projects director
Dan -- program director
Kenji -- news director

We need to encourage radio personelle to attend these board meetings.

The power increase that we've applied for could take up to three years to happen if ever.

Our last board meeting for the year will be next week.

Programming: Airchecks are still going on.
Next year, we will start them earlier in the semiester.

We will have to watch it about swearing on the air.

Possibly three hour time slots instead of the present two hour ones to reduce the amount of people that are in the station?

News: The IBM compatable computer would come out of our reserve funds.
It would cost $260(per year) more than the teletype
It would be better to get an IBM instead of a compatable model since the servicing would be easier.
APPROVED !!! Pending specs, etc.

Music: Could classical get more than an hour and a half to do a show since it's difficult to construct a classical show during that short span of time?

Meeting adjourned at 5:47 p.m.

Has WRMC approached FC?

News: New Newsdesk computer arrived today (Sept. 10). WRMC is no longer planning to purchase a satellite dish. As a licensed non-comercial college station, we cannot broadcast the commercials which come with the news broadcasts of NBC, ABC, and CBS. We do not have the technology to splice the commercials out. There is a new news schedule: Monday through Friday at 12-12:15 and 5-5:15.

Meeting adjourned at 5:57.

WRMC Board Minutes
November 5, 1990

Meeting opened at 5:05 pm

Members present: Chris Ralief, Josh Barnes, Raczkowski, Allison Auclair, Matt Hunter, Matt Pakos, Dan Hanson, Jordan Lief, Holly Cookis, Brian Pearson, Tassos Anastasiados, Haig Demerjian, Ann-Marie Benedict, Emily Locke, Lara Boyd

General: Election for new directors will be held December 3. WRMC is interested in taking over the maids' closet when Student Activities moves away; the station is re-submitting this proposal made two or three years ago. WRMC is sponsoring no live music this semester; the station is sponsoring the movie This is Spinal Tap instead. There is talk of bringing the group Googoodolls to Middlebury in January./During a meeting with the consultant Ed Perry it was determined that in the event of moving the transmitter to Chipman Hill, it would be best to purchase four antenae. Each would transmit four signals, thus cleaning up the tower. If we take this route (at a cost of about $10,000) we would get a good spot on the tower. If we decide to move we should, in addition, increase our power./Faculty member Thomas Huber complained to Beth Karnes that WRMC's signal keeps popping up on the dial around 103 FM.

Please return

Programming: There are a few D.J. shifts. WRMC is in the process of doing air-checks. Everyone has been asked to try to get air-checks in the mailbox by Wednesday. Licenses are also being checked (Checking which licenses still need to be submitted) Station is going to ask the finance comittee about money for licenses.

Music: Playhits are going out soon. Discussion of the stack of unfiled records./Tracy Jacobs, a reggae D.J., was present at the meeting to discuss becoming the WRMC reggae manager and starting a new, extended reggae collection.

Sports: Pete Benedict plans to broadcast hockey and basketball. Bob Henkel will be future sports director.

News: The special 45 minute show about the elections included three out of four of the gubernatorial candidates. A fourth was sent a questionnaire.

The AP machine will be sending out special election updates.

Special productions: Allison Auclair will be the new Special productins manager. Her shows are going well. She'd like to request money for additonal records.

Business: Alumni Advisory Board Meeting minutes

Lara Boyd is the new business manager.

Engineering: EBS is out of the studio. An engineer is looking over it.

November 12, 1990

Members present: Tassos Anastasiados, Matt Johnson, Brian Pearson, Josh Barnes, Matt Pakos, Hardy Merrill, Bob Henkel, Emily Locke, DanHanson, Haig Demarjian, Lara Boyd

Meeting opened at 5:10

General: Nominations are being opened for the 1991 year. Those wishing to resign should look for replacements. Elections will be on December 3, the last regular meeting before break. Finance committee meeting is Tuesday, November 13 ($35 must be submitted for each license application; the finance committee is aware of this.) WRMC may sponsor a concert in January and the film This is Spinal Tap before Christmas. Thomas Huber sent a third note--conciliatory.

Programming: Air checks are in the mail. WRMC will go off air at 12p.m. Tuesday, November 20. If no board members will be present over break (if there are no sign ups), WRMC will stay off the air and resume on the morning of Monday, November 26.

Technical: There have been some problems with the studio phone (sporadicaly not functioning). The card machine is broken. The turntable has just come in; someone must go get it. WRMC may order more. The EBS machine is not working or in the studio yet.

?

Sports: The station plans to buy a WRMC banner to put up at hockey/ basketball games. There will be a hockey and a basketball game in November. The rest are in December.

Special productions: Want to do cards (IDs) for each production. No PSAs or IDs for a couple of weeks because the card machine is broken.

Business: The finance committee wil be asked for a 3-9 increase. Someone will talk to Cathy Walsh about buying a new CD player out of reserve money.

November 19, 1990

Members present: Matt Pakos, Dan Hanson, Tassos Anastasiados, Haig Demarjian, Emily Locke, Allison Auclair, Holly Cookis, Chris Raczkowski, Kenji Kawasi

General: DJ licenses: The college said it would pay for 48 licenses, but the comptroller halted payment because the license is usable for life (even though usable for only non-commercial radio). Alternative payment methods include asking student activities to pay half and having DJs pay. WRMC will be calling other schools to see what they are doing.

Transmitter and power increase move petition: The application was filled out and mailed to the FCC. Announcement played five times a day for three weeks.

WRMC received a document from the FCC. They have accepted WMNM's petition. WRMC must switch frequency. We must file a document saying we CAN'T move; otherwise we will be expected to move to 88.1.

WRMC will be off air at 3p.m. November 20. Programming resumes at 7a.m. Monday the 26.

Buying CD players: two at $150. Chris- have you seen any paperwork on this? Have we gotten a signature from JDC or ACH? (registration,

WRMC is not sponsoring the movie This is Spinal Tap--we'd have to lease the copyright at a cost of $270.

WRMC is sponsoring a "Googoodolls" concert on January 18. The "Jesus Cricket" is opening. The concert will be in Cook.

WRMC Board Minutes
November 26, 1990

Meeting opened at 5:03 pm.

Members present: Matt Pakos, Haig Demarjian , Matt Hunter, Kenji Kawase, Dan Hanson, Jordan Lief, Emily Locke, Lara Boyd, Brian Pearson, Josh Barnes, Tassos Anastasiados, Hardy Merril, Holly Cookis, Craig Hajduk, Gene Swift

General: Nominations remain open for the board of directors for the 1991 year. WRMC must air a public notice regarding the station's request for a power increase (The request has been filed). The message must be aired four times a day for the next few weeks. DJs need to read the log.

The card machine is sill not working.

License renewal applications will go out in the mail this week.

New Route magazine was delivered to the station, rather than to the mail room. Volunteers from the station will distribute the magazines Tuesday afternoon. Another question raised: how will people know that the distribution of the magazine is a WRMC project? Members discussing the prospect of putting up posters.

Licenses: The finance committee had approved payment, but the comptroller stopped it. Dan Hanson will call the comptroller on Tuesday, November 27. Student activities could pay part of the cost, but the possibilities of the DJs paying is also under consideration (Will their having to pay discourage people from having shows, or will it ensure that people take their shows more seriously?) Other schools have been asked about their policy, and, without exception, their DJs pay. One alternative for WRMC might be to have the students pay half the price of their licenses and get the other half from Student Activities. Those who have shows this term and will not continue in the future will not be licensed.

Technical: The fuse on the exciter blew on Monday morning, but is fixed now.

Business: The station doesn't have a CD player of high quality. Because WRMC is purchasing one or two more players, we must decide on the degree of quality. Someone will speak to Larry Mesh about it. Does it make sense to contine with lower quality CD players when the station has such a high quality board?

The station needs to purchase a Marantz portable cassette player (mono deck) that can be used for doing interviews (This will be good for the news department). It will be purchased in the next month.

Music: The mega playlist is out. The next playlist will be put out in early December and will be a sort of November/December list.

Programming: The schedule for political candidates is needed.

Nominations: Next week there will be "campaigning" at the meeting. Directors each have one vote. The Board of Directors will nominate two managers for the music department and one manager for each other department.

Nomination for program director: Craig Hajduk.

Meeting closed at 5:25 pm.

Chan. Can you give me the history of CD player purchase(s?)?

WRMC BOARD MINUTES
DECEMBER 3, 1990

MEMBERS PRESENT: Josh Barnes, Brian Pearson, Matt Hunter, Dan Hanson, Emily Locke, Lara Boyd, Tassos Anastasiadis, Matt Pakos, Haig Demarjian, Kenji Kawasi, Holly Cookis, Bob Henkel, Jordan Lief, Gene Swift, Craig Hajduk, Damon Haynes

MEETING OPENED AT 5:05

GENERAL: Elections for WRMC:

Nominations: Gene Swift, freshman DJ, for business director. (Emily Locke will assist him in the job until he is ready to take over the post.)

Dan Greenwood for Folk manager

Hardy Merill for Engineering Productions

Tassos Anastasiadis for Special Productions

Matt Hunter for Music director

Dan Hanson for station manager (He will look for a replacement if it happens that he won't be at Middlebury for the year.)

Craig Hajduk for Programs Director (Will not be in Middlebury in the fall, and is looking for a replacement)

Ann Marie Benedict for News Director-- will be voted for in Winter Term

Bob Henkel- Sports Director-- will look for a fall replacement

None of the positions were contended. Voting was done not by ballot, but by a show of hands. All directors have one vote, all managers have one vote, and the music department has two voting managers.

Because nominees must be present to be elected, not all nominees have been voted in yet. Yhe folowing candidates were elected after campaigning during the meeting:

Dan Hanson for Station Manager, Matt Hunter for Music Director, Craig Hajduk for Programs Director, Gene Swift for Business Director, Tassos Anastasiadis for Special Productions.

Other news:

Chris Raczkowski will go before the Finance Committee on December 4.

The November/december playlist is in the works.

WRMC is sponsoring a Googoodolls concert in January.

The public has expressed interest in hearing more football games broadcasted in the future.

BUSINESS: WRMC will go to sign-ups of three hour slots; sign ups will go the board from nine to midnight. WRMC will go off the air Friday at midnight before exams on Saturday, when sign-ups start. (Sign ups: Sarurday, 9 am to Friday, 12 am.

Concerning Winter Term shows: Information will be mailed to DJs this week; a message will be left on phone-mail concerning opportunities for Winter Term shows. An add will also appear in The Campus this week.

WRMC will be on the air from 7 am to 1 am during Winter Term.

Winter Term: Shows will also go by departments (as during fall and spring). The schedule will be set up before the end of Fall Term, so DJs must

fill out the form before the end of Fall Term. Special Productions will stick with the schedule.

It has been suggested that, during Winter Term, there be cutbacks on time for those DJs who already have a lot of experience. This way, those who do not already have much experience will have greater opportunities to get it.

LISENCES: The comptroller has kept payment halted because no other colleges pay for studen DJ lisences. Jennifer Duncan, the chairperson of the Finance Committee will make a note in the minutes that lisence funding has been twice approved by the committee. This will hopefully permit payment in the near future.

Charlotte Chase needs to know more about the CD players the station is buying: Model numbers, vendor, and cost.

SPORTS: The first broadcast was last Saturday, but the game got cut off in the last minutes. The DJ who came in to do a show apparently was not aware that the game was being broadcast and did not answer the phone when the crew tried to call the station. The rest of the broadcast was done using someone's phone card.

The broadcast was fairly clear, but needs some improvement. The box i not working.

The budjet covers gasoline expenses for away games.

Away games will be given more priority. Tha next away game will be during Winter Term.

There will be a basketball home game later this week.

This is the last meeting of the semester. The next will be the first Monday of classes Winter Term, at 5 pm.

Meeting closed at 5:42 pm.

WRMC Board Minutes
January 7, 1990

Meeting opened at 5:02

Members present: Haig Demarjian, Matt Hunter, Ann-Marie Benedict, Josh Barnes, Brian Pearson, Jordan Lief, Dan Hanson, Pete Harris, Emily Locke, Craig Hajduk, Gene Swift, Bob Henkel, Dave Anderson, Hardy Merill, Lara Boyd

General: The station has aquired a new Emergency Broadcasting System machine. It is now operable, and DJs will be instructed on its use in the near future.

The station needs several classical DJs for slots from 2:00-3:00 Monday through Friday. Those interested should contact Brian Pearson. The station also needs jazz DJs across the board, weekdays fron 10:00- noon, and Sunday (four slots are open on Sundays). Those interested should contact Holly Cookis or Haig Demarjian. The rock schedule is not yet finalized, and there is some space left in urban contemporary also. The station has gotten no response for news broadcasting; we need to have news at noon and five p.m. One way to ensure proper coverage would be to include the news in special production shows.

The station is in the midst of programming, and will go on the air January 8, before noon. DJs will be informed of their show times the night of January 7

Engineering. The station has aquired two new compact disc players.

Sports: WRMC will broadcast an "away" hockey game this Friday. An acess code will be issued Friday for the broadcast of the game. Bob Henkel must be reimbursed for the broadcast cost of the last game that was put on his phone bill. The DJ who has a show during the time slot in which the game will be broadcasted will be informed (the last game was cut off in the last minutes because the DJ was unaware of the broadcast). WRMC wishes to work on the sound quality of broadcasts of away games as well.

Music: The station is encouraging music reporting. Reporting is good for all departments. The CMJ calender is incorrect, however; the station is working on this problem to facilitate reporting.

Meeting closed at 5:16.

CC FYI
1/21 Thanks-

MEETING OPENED 5:00

MEMBERS PRESENT: Dan Hanson, Tassos Anastasiados, Gene Swift, Craig Hajduk, Brian Pearson, Matt Hunter, Bob Hinkle, Chris Raczkowski, Emily Locke, Ann Marie Benedict, Damon Haynes, David Anderson, Dan Greenwood, Lara Boyd

General: Ann Marie Benedict was voted in as News Director in the January 14 meeting.

Board members can get the keys to Studio B if needed.

Special Productions: There will be a concert this Friday night in Cook; WRMC hopes more will follow. The WRMC Board will contribute to preparation for the show. The band, The Googoodolls, will arrive around 6:30 p.m. for the 9:00 p.m.-1a.m. show. Mermbers of the WRMC organisation will begin preparing Cook around 4:00. DJs will be asked to stay after the show to help clean up until about 1:30. A note concerning this matter has been left in the DJ booth. The show is being promoted, and ticket sales will take place at dinner in Proctor from Tuesday through Friday.

Concerning acquiring more international music for WRMC's collection: companies will be contacted, and WRMC will expand its collection.

Programming: The winter term schedule will appear in The Campus this week or next.

Sports: It was determined during the broadcast of last Friday's game that both the dialing pad and sound must be worked on. A home hockey game against Norwich will be broadcast on Wednesday. WRMC will try to broadcast basketball this week, also. The sports director will inform Craig Hajduk and involved Djs to notify them of the exact times of broadcasts.

Bussiness: The annual summary must be handed in in the coming months. Department heads must submit their budgets at the end of March/early April.

Music: WRMC must contact puplications to facilitate new music reporting.

Music stacks will be organized. A song list will be organized, also. DJs are being asked to record all requests.

News: Djs did not show up at five for their shows for various reasons. Ann Marie Benedict and four other DJs will cover the week. There will be no news at noon during Winter Term. WRMC has the schedule of AP network news (much is expected).

Meeting closed at 5:23 p.m.

WRMC BOARD MINUTES
JANUARY 21, 1991

Members present: Dan Hanson, Gene Swift, Brian Pearson, Emily Locke, Matt Hunter, Craig Hajduk, Jordan Leif, Ann Marie Benedict, Damon, John, Tassos Anastasiadis, Lara Boyd

General: The Googoodolls concert, which took place Friday, January 18, was well attended and a general success. The Cynics will continue the WRMC concert series in the coming months when they return from their European tour to play at Middlebury. WRMC may organize one more concert after The Cynics show.

A note requesting that DJs exercise good judgement when commenting on the war has been left in the studio for all DJs. The note is a result of a complaint made to student activities. After a commentary on the war in the Persian Gulf, a substitute DJ dedicated a song to the soldiers who are to die in this war. After Student Activities received the complaint, Cathy Walsh had the DJ leave the station. Anyone wishing to comment on the war in the Gulf should talk to Ann-Marie Benedict. Perhaps a news/student commentary program can be arranged.

WRMC elected its country manager to be the station representative for the Middlebury Alliance monthly meetings.

The thermometer in the station must be fixed.

News: Ann-Marie Benedict made two half-hour interview tapes with Professor Lang of the Political Science Department and Professor Spencer of the History Department on the subject of the war in the Gulf. Each interview will be cut down to fifteen minutes for an upcoming program. In hopes of reaching a wide audience, WRMC will promote the program with posters. A notice will appear also in The Campus and This Week at Middlebury.

The AP network is now being aired every hour, rather than every half hour. A note explaining the operation of the machine will be left for DJs.

Programming: Four or five shows were missed for various reasons on Saturday the 19. One of the DJs, whose follow up never came in, ended up taking WRMc off the air. DJs are now being asked not to take the station off the air without talking to the Program Director first.

At 7:15 a.m., Monday the 21, the remote capability of the transmitter was turned off (causes unknown) and WRMC could not go on the air.

The station is giving away concert tickets on the air to the Milc concert at The Front in Burlington.

Engineering: The new compact disc players are on their way. The remote will be fixed.

Sports: Athletic events to be broadcasted will be more extensively promoted in the future. Hockey broadcast on the 24. Perhaps only away games will be broadcasted in the future.

Special Productions: A talk show is being proposed for "after news" commentary.

Meeting closed at 5:33 p.m.

WRMC BOARD MINUTES
JANUARY 28, 1991

Members present: Dan Hanson, Ann Marie Benedict, Gene Swift, John Irving, Brian Pearson, Craig Hajduk, Matt Hunter, David Anderson, Emily Locke, Tracy, Damon Haynes, tassos anastasiadis, Lara Boyd

Meeting opened at 5:05 p.m.

Programming: DJs must be sure the station is on the air before starting their shows. There have been some problems with shows not broadcast because the station was not "on."

The Classical department at would like to buy and broadcast recordings of the Chicago Symphony. The department is looking into this now.

A schedule has been posted. There will be some changes in the spring. A basketball game was to have been broadcasted this week, but it has been decided that there will be no broadcast of this game.

Possible broadcast of a concert in Mead Chapel on January 28.

WRCM will go off the air on Friday, Febrary 1. The station will go off the air at noon at the earliest. There may not be a news program that day.

News: The Persian Gulf program that Ann Marie Benedict has been working on is now ready. The interviews with professors Spencer and Lang have been cut down to produce a 45 minute show which will be aired after the news on Thursday, January 31. Posters promoting the show will be posted on the 29.

General: The date for the "beginning of the semester" WRMC meeting has been set for February 13 (Tuesday). The meeting will take place in Hepburn Lounge after the Student Activities Fair. All interested in having a show spring term are invited to come.

WRMC will have a booth in the Student Activities Fair on February 13.

The first WRMC board meeting after break will take place on Febrary 12.

Music: WRMC will do more music reporting.

Departmental "top 10" lists are needed to compile play lists.

Special Productions: Febrary is American History month, and free educational tapes (in which scholars discuss American history), along with promotional tapes, are at WRMC's disposal. The tapes will be played in four half-hour shows in February, hopefully followed by half-hour talk shows in which Middlebury students discuss the taped history programs. The shows will be promoted by posters.

Amendment to minutes of January 21: Should read: After Student Activities received a complaint about a DJ's song dedication to soldiers who would die in the Persian Gulf war, Cathy Walsh asked the DJ to come down to Student Activities and talk to her after the show.

Meeting closed at 5:22.

Meeting opened at 5:00 p.m.

General: Wednesday night (the 13th), there will be a WRMC organizational meeting in Hepburn lounge. The meeting is of interest not only to those who wish to be DJs spring term, but to those who wish to sign up in the engineering department.

The new CD players will be in the studio when the remote machine is fixed.

Sports: WRMC might broadcast some ski races during Winter Carnival.

February 18, 1991

Members present: Dan Hanson, Craig Hajduk, Brian Pearson, Holly Cookis, Tassos Anastasiadis, Tracy, Dave Anderson, Hardy Merill, Matt Hunter, Ann-Marie Benedict, Gene Swift, Emily Locke, Hary, Damon Haynes

Meeting opened at 5:05 p.m.

General:WRMC will be on the air noon Friday. "Graveyard" shifts will start Thursday or Friday night.

WRMC decreased from 100W to 10W for two hours on Sunday (the17th) afternoon to facilitate the taping of a concert in Mead Chapel. If the transmitter were further away (such as on Chipman Hill), such reduction would not be necessary.

"Graveyard Babysitting" sign- ups have started.

Music: WRMC is sponsoring a concert by The Cynics. It may take place on March 9.

Programming: Everything is going well. There is one empty jazz time slot, and classical is covered.

Engineering: The Record Library stylus is broken.

One of the new CD players will be hooked up in the studio by the end of the week.

A new thermometer for the studio is on order.

News: Some news slots are still open.

Special Productions: African-American History programs start Wednesday, February 20.

Meeting closed at 5:25 p.m.

WRMC BOARD MINUTES
MARCH 4, 1991

Please circulate DG ___ CC ___

MEMBERS PRESENT: Dan Hanson, Craig Hajduk, Brian Pearson, Gene Swift, Jon, Tassos Anastasiadis, Tracy Jacobs, Emily Locke, Bob Henkel, Holly Cookis, dan Greenwood, Matt Hunter, Hardy Merril, John Irving, Dave Anderson, Lara Boyd

Meeting opened 5:07

General: WRMC will co-sponsor (with MCAB and the WOmen's Union) the Bim Scala Bim concert this Saturday.

Deb - Was this CO-sponsored by MCAB? gave $300

A list of DJs is up in the station.

The spring schedule is in The Campus. The schedule will be verified so that a program guide may be put out for distribution in town and maybe campus mailboxes.

There is a new thermometer in the studio. Those using the studio should use caution, for the cord runs out the window.

DJs will contribute $10 to their lisencing fees.The school will subsidise $25. This should be taken care of before Spring Break.

Char - Is there a system in place for this?

Music: WRMC will be ordering two programs for the classical department. The cost will be $10 for the Santa Fe Chamber music tape and $20 for the Chicago Symphony Orchestra tape. WRMC is looking into the contract (stipulations as to when the tapes may be played).

Jazz CDs, etc. need label so new releases will be played more frequently.

Programming: WRMC will be off the air during Spring Break.

Engineering: This Saturday engineer Larry Mayer will come hook the two new compact disc players into the mixer. During this time WRMC will broadcast from the production room. mayer will also look at the cart machine.

Technical: The stylus is still broken.

Sports: The weekend broadcasts went well. WRMC is looking into future broadcasts of baseball and lacrosse.

Special Productions: WRMC would like to bring the film This is Spinal Tap to the campus, but must find a distributor first. If the station can order the film, a possible screening date would be May 4.

Char - Have you heard about this?

Future (possible) concerts in mid to late April: The choice lies betwwen Firehose and 1313 Mockingbird Lane. Firehose (cost of $2,000) seems to be favored. The show would be heavily advertised and good publicity for the station.

Deb - FYI.

Reporting: CMJ check was sent out last week.

Meeting closed at 5:28.

Anyone know what this means?
?

WRMC BOARD MINUTES
MARCH 11

MEMBERS PRESENT: TRACY JACOBS, BRIAN PEARSON, DAN HANSON, DAMON HAYNES, LARA BOYD, DAN GREENWOOD, JON, HARDY MERILL, MATT HUNTER, DAVE ANDERSON, BOB HENKEL

Meeting opened at 5:06

General: The application for license renewals has been delayed because of the question on radio frequency interference. The application has not been completed with regards to this question. The application will be sent to attorney Edward Perry.

Student DJs will contribute ten out of thirty-five dolars towards the cost of their licenses.

A student from Middlebury Union High School, Brenden Davis, will be working on a senior project at WRMC. He will probably be reading some of the public service announcements.

Follow up memo
who is supervising? hours?

A check was sent to CMJ magazine. Thetop 25 lists will be compiled and sent to the magazine. The rock list is almost ready.

The are new shelves for the CDs in the station.

Jon will be putting together a documentary on WRMc for the Admissions Office.

Programming: Everything is going smoothly.

Technical: Larry Mayer, the technical engineer did not come to connect the compact disc players or look at the cart machines. The second cart machine is broken, now, so there are none in operation in the station. WRMC will probably have one in operation by the end of the week. The CD players will be connected over spring break.

Music: All departments are running smoothly.

Folk department: Thuersday night, the Clancey Brothers will perform in the Flynn Theater in Burlington.

Special Productions: Matt Lane, who will take over the department next year, attended the march 11 meeting.

Sports: WRMC may broadcast baseball and lacrosse. Bill Fuse will take over the sports department next year.

The telephone remote must be repaired. We are looking for a manual.

CC do you know ~~nthoo~~ anything about this?

WRMC BOARD MINUTES
APRIL 1, 1991

C- FYI: Rockpool
Deb - Are we all set re: Radiators? + Blk Cows + April 27 + May 10?
Haven't started on yet.

Members present: Dave Anderson, Tassos anastasiadis, Brian Pearson, Jon Demore, John Irving, Gene Swift, Annmarie Benedict, Dan Hanson, Tracy, Matt Hunter, Hardy Merill, Damon Haynes, Dan Greenwood

meeting opened at 5:05 p.m.

Technical: Larry Meyer may have worked on the cart machines. There is a problem with the remote switches only. He will look at the compact disc players this weekend.

Music: Several new CDs have come in. Unfortunately about thirty CDs from the classical department have been missing for some time and have not been returned. Playlists will be sent out soon (They will cover up to March 31).

Business: Rockpool (magazine) somehow thinks WRMC is behind schedule. The statin is not, so this must be cleared up. Gene Swift will speak to charlotte Chase about this.

General: An NPR concert, Theater of the Voices, will take place April 11 and 12 in Mead Chapel (?). WRMC may be able to broadcast it.

A program guide will be put out next week. Photos are needed.

WRMC is still awaiting the response of the FCC. The radio frequency saftey form has been mailed, and the station will get the response of the FCC in approximately two weeks.

Special Productions: There will be a concet by The Radiators next week. Have "live" CD to play on the air.

WRMC has Warner hemicycle reserved for April 12 (7:30 and (9:30) to show Jon's video project on WRMC.

Black Cow Cafe news: WRMC will sponsor The Original Sins on April 27 and 1313 Mockingbird Lane on May 10. (The cost for 1313 Mockingbird Lane will run about $400).

Meeting closed at 5:30 p.m.

CC ✓
DG ✓

Meeting opened: 5:09

Members present: Hardy Merril, Gene Swift, Craig Hajduk, Dan Hanson, Dan Greenwood, Matt Hunter, Brian Pearson, Damon Haynes

Programing: A D.J., Jesse Cunningham, was unable to do a show because of an appendix problem. Other programming problems were probably due to daylight savings.
Programming problems should be explained to Dan.
D.J.s should never leave the station without talking to a board member about leaving. Craig Hajduk should be contacted.
WRMC will not be ordering the classical music tapes (Chicago Symphony Orchestra) because of contractual stipulations.
Air Checks: D.J.s will tape their shows and provide a written report. Craig Hajduk will be evaluationg technical aspects, and Matt Hunter will be checking music.
In the urban contemporary department tapes may not be needed, for Damon Haynes already listens to/ checks the shows.
Matt will be sending out playlists for rock, urban contemporary, reggae, and metal this week.
The folk department is missing a few discs.
The missing compact discs have never been returned to the classical department. A list of the missing discs has been compiled; missing discs number roughly 25-30. A phonemail message will be sent out to all D.J.s.

Business:
The Original Sins will be playing Cook on April 26. Chris Raczkowski is making arrangements for a sound system.
Posters, campaigning, are necessary.
Contract preparation/signing is in the works.

Deb - FYI - Are they making their arrangements through you? Jed.

Technical: As of Saturday morning, the station will have two new C.D. players hooked up and working.
The cart machines are working well without remote buttons.
The station still nneds a new stylus, beacause Radio Shack forgot the order.

Chan - Are you all set on these?

Meeting closed as 5:35.

Members present: Annmarie Benedict, Tassos Anastasiadis, Brian Pearson, Matt Hunter, Dan Hanson, John Demore, Lara Boyd, Hardy Merril, Gene Swift, Tracy Jacobs, Craig Hajduk, Dan Greenwood, Dave Anderson, John Irving

Meeting opened: 5:10

General: Department heads are working on budgets. The sports budget will be about $500. Most sports charges stem from long distance phone calls which will be handled by the business department.

About $1250 will be paid by Student Activities to cover $25 of the $35 charge for each of the student licenses.

A portable Marantz tape deck will be aquired by the station. - Same one mentioned earlier?

DJs should contact someone if they will not be able to make it in to do their shows.

Air check tapes are being reviewed.

There is a problem with the station's phone system: callers can hear the station, but the station cannot hear the callers. 8-6323

Friday (April 19) at 2:15 there will be a WRMC Advisory Board meeting, which will include faculty advisors, community members, SGA members and other interested members of the WRMC group. The meeting will be hels in Student Activities.

A report on community broadcasts needs to be written (to be put in the public inspection file).

Technical: The setup may be changed so that the CD player and turntable are not on the same dial. It might be necessary for Larry Meyer to come in to make this change.

Music: Playlists are ready and will be sent to record companies.

WRMC will order only one box of *New Route* from now on.

Spring 1991
April 19, 2:15pm
WRMC Advisory Board Meeting Agenda

Major Issues

- Chipmanhill transitter move/upgrade
  WRMC has filed with the FCC to increase power and move our transmitter location.
- License renewal
  WRMC has filed for renewal of its current license and, as of April 1, is awaiting the anticipated FCC approval.
- Summer funding
  By WRMC's constitution, student activities funds are not permitted to support the summer operation of the station. Thus, there is a question of how to properly budget for Associated Press services which are billed on a yearly basis.
- Custodial room annex
  If the new student center allows relocation of the custodial space adjacent to the station, WRMC would like to relocate its engineering closet there. This would allow for expansion of our quite cramped record library.

Other Issues

- CD security
- Form 753 Application fee subsidy
- Classical underwriting
- Archives availability

INTER-OFFICE MEMO

TO Dan Hanson, WRMC Drawer 29 DATE 4-30-91

FROM Cathy Walsh SUBJECT WRMC Business

MESSAGE Dan, please forward a copy of the renewed license to me for the office files.

Also, please stop in when you have a moment. The Student Employment Office has noted that for budgetary reasons (board charges), you should not plan to move in and begin work at the station until Monday, June 17. I understand that it takes a few days to get the station up and running. When would you expect to be on the air?

APRIL 22, 1991

Members present: Hardy Merill, Dan greenwood, Chris Razckowski, Tassos Anastasiadis, Matt Hunter, Bill, John, Dan Hanson, Jon Demore, Brian Pearson, Annmarie Benedict, Gene Swift

Meeting opened at 5:06 p.m.

General: WRMC has been re-licensed by the FCC until the end of April 1998. The FCC 753 forms have come in, also.

Programming: Criag Hadjuk and Jon Demore will listen to airchecks sometime this week.

Sports: WRMC has a new sports director, Bill _____ ?

Music: 360 playlists went out-- some have been returned from non-existant companies.

Possible ordering before the end of the year.

A phonemail message was sent out to DJs regarding the missing compact discs, but the discs have not been returned.

Special Productions: No new news on the Original Sins concert which will take place this Friday. People are needed to help set up for the show (at Cook SDU). Anyone who wants to help should come by around 4:00 or 4:30. Doors open at 9:00. Tickets for the show are being sold at Proctor Wednesday through Friday.

Records are being ordered.

No one showed up for the cart lesson for DJ heads. There is a Living Color promotion on the cart machine.

News: A list of community news is being compiled for the FCC.

WRMC Board of Directors Meeting - 9/16/91
Minutes taken by Gene Swift, Business Director

Attendance:

Anderson, David W.
Benedict, Ann Marie
Cookis, Holly
Cunningham, Jesse
Damour, Jon
Greenwood, Dan
Haynes, Damon
Hunter, Matt
Jacobs, Tracy
Lane, Matthew
Merril, Hardy
Odell, Cole
Swift, Gene
Walsh, Kiley

Meeting opened - 5:08pm

Matt: Over forty-one things were done over the summer to rennovate and improve the WRMC facilities, including complete re-filing of the rock archives and remodeling of the lounge.

Jon: WRMC sponsored poster sale at McCullough. There will be an organizational meeting at 7:30pm, Tuesday 9/17, in Warner Hemicycle.

Matt: WRMC hopefully to go on air morning of Monday, 9/23, and go full-24 hour service one week later, 9/30. The organizational meeting should be more organized than in the past. Hand out scheduling sheets at the end of the meeting, rather than at the beginning. Shows will be the standard 2 hour shifts.

Gene: Business Department is looking for a new Business Manager for fall sememster. Should be someone with an interest in possibly continuing to Business Director in January.

Holly: Looking for Asst. Jazz Manager.

Cole: Arts editor of the paper looking for a weekly review of an album. Strictly voluntary.

Dan: Will there be more CD shelves built?

Jon: Having some problems with B&G and supplies for construction. Hopefully will be built by on-air time. All board members must babysit for new graveyard DJ's.

Kiley: Classical needs DJ's desperately.

Meeting closed at 5:27pm.

Jon Damour
Dave Anderson
Cole Odell
Jesse Cunningham
Daymon Haynes
Stephanie Johnson
Tracy Jacobs
Dan Greenwood
Gene Swift
Matt Lane
Hardy Merril

Hunter calls meeting to order at 5:02.

Damour states: 1) There will be a sign up for DJ's over fall break. 2) Phone mail needs to go out to the DJ's. 3) A list of DJ's needs to be posted in the office as a list of subs for ill/ incapacitated DJ's. 4) News staff needs to keep paper in feed and keep its area "up to date" with supplies, etc.

Anderson asks Greenwood to file his play lists.

Damour asks managers to make sure that the Production Room is always locked.

Hunter notes the appearance of several non affiliated people hanging around the station recording music, etc.

Damour suggests telling those people to leave when spotted.

Hunter says that the Staff Guideline Manual will be reissued.

Damour asks for suggestions on how to keep the area by Prod. Room clean of lunch paraphernalia.

Damour asks Merril to teach McClure the Cart. Machine so she can train people to use it properly.

Hunter notes that the dial change will be on Oct. 28, 29, or 30, and that it will require about 4 hours of off the air time. He asks for promotion ideas-paper, etc. will be provided by WMNM.

Anderson asks for volunteers to put up promo posters for The Red Hot Chili Peppers Concert and that their promoter will be sending a few tickets to WRMC.

Hunter says some should be given away to listeners.

Damour says cart. should be made for dial change. He notes that the "Knowledge is Good " show went through improper channels to receive funds for T-shirts, and was under the control of Daymon Haynes (Urban Contemporary) rather than Matt Lane (Special Productions).

Hunter says that next semester they'll be moved back under Special Productions.

Swift calls for a representative of the show to show up at the next meeting.

Damour says that we should show them the proper channels, and that the final decision of action is up to Haynes and Lane.

Damour asks the board its feelings: Let the show stay this semester then move it back to Sunday nights. T-shirts are good publicity for WRMC.

Swift tells Board that all committee presentations should go through him. Haynes motions to close the meeting.

Haynes seconds.

Hunter closes the meeting at 5:35.

IN ATTENDANCE:
Jon Damour
Matt Hunter
Stephanie Johnson
Cole Odell
Dave Anderson
Dan Greenwood
Damon Haynes
Hardy Merrell
Gene Swift

Hunter opens the meeting at 5:05.

Hunter asks Damour if he made any new contacts at the CMJ Convention in New York. Damour says he found new music and made personal contact with people that he is currently dealing with.

Hunter states the problem with music theft could be dealt with par UVM's lock devices or a controlled access entry system.

Damour suggests a card entry, may be too costly.

Knowledge is Good representative apologizes for the mix up and improper channels that were used to obtain $440 for t-shirts to be used as prizes on their show.

Hunter says that new station logos need to be made for the t-shirts.

The K.I.G. rep says that there are only 5 shows left this term, so the request for funds needs to be pushed through the finance committee ASAP.

Hunter gives her the go ahead. He also tells her to use the old logo on the t-shirts.

Hunter states that the station will be purchasing 2 studio quality turntables at $300 a piece.

Damour tells the board the concert dates with The Cynix (Jan 24) and The Parasites (Feb 28) are set, and the cost of the bands are $800 and $700 respectively.

06/28/92

Cathy,

Enclosed are WRMC notes from January Term through mid-April. I'm sorry that I didn't get them to you sooner - I've had them on the computer for quite awhile. The first two pages are from when Melissa McClure was still Business Manager - the rest are from when I took over. I'm sorry for any inconvenience I may have caused.

Sincerely,

Stephanie Fischette

HUNTER OPENS 5:00 PM

HUNTER: will have an impromptu Spinal Tap party at the station some point, soon. Essentially, the station is falling apart. The phone has to be fixed, board is broken, Pot 2 is screwed up -- bad feedback noise. Also, we need a new cd player, too.

ANDERSON: I will get in touch with Hardy to fix some of this.

ODELL: What about Maintenance; get them here to do it -- they know how.

HANSON: I'm doing a show tonight, so I'll check things out.

JOHNSON: So what are we supposed to do, only use one cd player and turntable?

ANDERSON: No, use everything; it just won't sound good.
We need help for Buffalo Tom concert -- promotion through table-top signs.
Problem with djs calling me at saying they can't do their shows.

DAMOUR: Tell them it is their responsibility to find a sub, if they can't get one tell them to call me and I'll take care of it.

HANSON: Are we going to start doing "air-checks?"

DAMOUR: It's pointless to have dj's do them themselves; it's better to monitor the air ourselves.

JOHNSON: I've typed the program log letter, and the new sheets are out.

HUNTER: We are co-sponsoring the Buffalo Tom concert with MCAB. Everyone must do something to help or will have to pay to go to the show.

ANDERSON: When you do your show don't publicize the concert. The school doesn't want people off-campus coming to the show.

ODELL motions to close. HUNTER seconds.
CLOSE AT 5:15 PM.

WRMC MINUTES--MONDAY, OCT. 5

The meeting was called to order at 5:03 p.m., and was attended by the entire staff.

1) Jon D'amour requests that all music managers regularly check their on-air personnel's playlists and program logs to ensure that they are being filled out correctly.

2)Jon states that he is arranging for the band Fly Spinach Fly to perform in McCullough Student Center on the night of October 30. Matt Hunter is arranging catering for the show.

3)Jon announces that every on-air person who does not return their signed pledge within two weeks of the current date will lose their show-phonemail or letters will be sent out to inform the entire staff.

4)Matt relays that Valerie Peters of the Women's Show on WRMC has requested that new recordings of special interest to that program be labeled accordingly.

5)Matt informs the gang that senatorial candidate Tom Alderman visited the station to request time for an interview. If one is granted, equal time will have to be given to all candidates in the race. Matt asks Jen Crow to look into the matter.

6)David Shannon asks for a list of all on-air personnel to be sent to the music library so that DJ's may be allowed to check out albums.

7)Jon Colpitts mentions that WRMC will be soon publishing its top 25 rock albums of the week in the Middlebury Campus.

8) David Shannon informs the staff that AP Network news will be suspending their regular coverage on Oct. 3 in order to devote the line to election coverage and wonders if WRMC should do the same, in order to give comprhensive coverage of the event. The staff decides to keep the regular format for the night with regular breaks (@ every 15 minutes) for election updates.

The meeting was closed at 5:18.

WRMC MINUTES 10/26/92

-The meeting was attended by John Colpitts, David Shannon, Jon D'Amour, Ben Cha, Cole Odell, Jen Crow, Carmine Tomas, Stephanie Fischette, Stephanie Johnson, Jessie Cunningham, Matt Hunter, and Dave W. Anderson.
-The meeting was called to order at 5:04 p.m.
-Jon and Matt announced that on-air personnel who failed to turn in signed forms or FCC forms were terminated--most of the d.j.'s came from the Women's shows and folk dept.
-Matt mentioned that shelving had arrived from B+G, and that workmen would be in to assemble them sometime in the future.
-Jon reminded the staff of the concert planned for Oct.30, featuring Fly Spinach Fly and Pocket Monster, and called for people to work door shifts and take down procedures--a sign-up sheet was passed around.
-Jon Colpitts announced his location of a number of WRMC discs, stolen by current d.j.'s--the board decided to fire the involved parties immediately and approach them concerning the return of the station property.
-Matt promised to call Larry, the engineer, again.
The meeting was closed at 5:22 p.m.

WRMC MINUTES 11/2/92

-The meeting was attended by David Shannon, Stephanie Fischette, Stephanie Johnson, Jon D'Amour, John Colpitts, Jason Manzoukas, Dave Anderson, Cole Odell, Matt Hunter, Jessie Cunningham, Jen Crow, and Gene Swift.
-The meeting was called to order at 5:02 p.m.
-Jon let everyone know that the office computer was broken.
-Matt commented that he had spoken to Larry the freelance engineer, who would come in to take a look at the station on Saturday, Nov. 7.
-Matt also let the board know that B+g had promised to come during the week to assemble the new shelving.
-Matt admitted to having lost one of the WRMC hand stamps at the Fly Spinach Fly show. The stamp pad escaped unharmed.
-Jon noted that the concert went well, no injuries.
-Jon further noted that the first three rock shows lost this semester fell in the 3-5 a.m. slots, and asked if the stations hours should be cut back to curtail bad d.j.'s who would eventually be kicked off of the air anyway. The board came to no clear decision.
-The meeting was closed at 5:24 p.m.

WRMC MINUTES 11/9/92

-The meeting was attended by Dave Anderson, Jessie Cunningham, John Colpitts, Matt Hunter, Steph Johnson, Steph Fischette, Jen Crow, David Shannon, Jason Manzoukas, Cole Odell, and Jon D'Amour.
-The meeting was called to order at 5:06 p.m.
-The board discussed whether or not to call B+G to fix the station's heating. It was decided that B+G probably would not fix it correctly, and the matter was shelved.
-Jon put a call out for an engineer--the station currently has none, and is in dire need.
-Matt told the board that d.j.'s who had not been refiling their records seemed to cleaning up their acts, and that the studio was generally neater.
-Dave Anderson brought up the Dec. 3 concert featuring Smashing Orange and Meatshake--he said that everything was running smoothly, contracts were signed and the show would happen, barring unforeseen snags.
-David Shannon brought up the problem of the lack of classical c.d.'s at the station. Jon told him to look into buying some with his department funds.
-The meeting was closed at 5:19 p.m.

WRMC MINUTES 11/23/92

-The meeting was attended by Dave Anderson, Matt Hunter, Cole Odell, Jon D'Amour, Steph Johnson, Jessie Cunningham, Carmine Tomas, David Shannon, and John Colpitts.
-The meeting was called to order at 5:07 p.m.
-Matt and Carmine informed the board that the --- had obtained all of the funding for the Phil Keegy concert WRMC had offered to co-sponsor--the board decided that it still wanted to assist the show in any way it could.
-Dave begged for help in putting up posters for the Dec. 3 Smashing Orange show, which he had just picked up from Reprographics.
-Cole announced that WRMC t-shirts would be ready for sale after Thanksgiving--the board decided to sell the shirts at $6 for d.j.'s and $8 for non-staff.
-Jessie asked if any plans had been made for the J-Term concert--Matt told him that he had not contacted a band yet. Jessie informed the board that the band 'Gapeseed', led by Ed Feldman '92, had contacted the station, interested in playing that date. No decision was made.
The meeting was closed at 5:20 p.m.

WRMC meeting for 1/24/93

-Dan, Frank, and Stu are missing.
-Dan has already met with Jesse, so that's OK.
-We discussed some anti-theft ideas.
-David is dealing with Allegro records, and the price discrepancy between the quoted price and the price the are charging. The debate lies in whether we are a "university" or "private radio station."
-Jesse is sending Paolo to Soundsource for a turntable head.
-We are not receiving CMJ, but they are notorious for being late.
-Hey, we're back on the air by the way.
-We have a 20 mile radius
-Jason found a new pair of shoes he likes in a magazine.
-Gene is fixing the remote transmitter as we speak.

→ CWL – FYI

WRMC MINUTES--2/8/93

--The meeting was attended by Jason Mantzoukas, Dave Anderson, Matt Hunter, Jon Damour, Jon Colpitts, Carmine , David Shannon, Jessie Cunningham, Cole Odell, Gene Swift, Ben Cha, and Melissa McClure.
--Matt reminded everyone of the Spring organizational meeting to be held Monday night at 7:30 in Dana Auditorium. Scheduling for all departments will take place on the night of Wed. the 10th.
--David Shannon agreed to try out his idea of a weekend morning opera show on Sunday rather than Saturday to accomodate increased interest in folk programming on that day.
--Matt brought to the attention of the board that discs had been stolen from the locked office over break. No board memebers are suspected; certain memebers of dining/custodial services do have access to keys, however, and may be the culprits.

Recommend they follow up via Security

--Ben explained why Ma Bell cut off our outside line phone number; hee had mistaken one form for another and as a result the bill had not actually been paid in months. Service could be restored by the end of the week.
--Jon Damour mentioned reorganizing the mail bins in the office and asked everyone to pay particular attention to their individual mail in the wake of the phone scandal.
--Jon also mentioned that 'RMC is still functioning with terribly old, mostly broken equipment, and promised to take steps toward getting vital equipment which is dying or already expired replaced. These items include the cart machines, the sound board itself, and almost everything in the production room.

Reserve fund in place for these sorts of items. Equipment should be managed/monitored by WRMC staffers to ensure upkeep, repairs, replacement on an ongoing basis.

--the board decided to go on the air part-time starting Monday, Feb. 15, and full-time the following week.
--the board also decided to delay discussion of the planned weekly newsletter until things are less hectic.

Present: Jon Damour; Jesse Cunningham; Jon Colpitts; Stu Santee; Mike Troutman; Frank Nanton; Dan Greenwood; David Shannon; Jason Mantzoukas; Grant Gibson; Gene Swift; Rob Schlesinger; Melanie Moser; Shamoil Shipchandler.

Meeting commences at 5:05 p.m.

Scheduling: Still some classical and three jazz shows open. Recruiting to fill these slots.

Dead Air: Reaffirmation that we are not to be playing anything if no one is present to supervise.

Concerts: Jesse has decided on the Dambuilders for the November 5th show in McCullough.

Promotions: General consensus that we need more carts, also carts for individual shows. Also general consensus that we need some advertising. Ideas for t-shirt giveaways and CD giveaways discussed but no conclusions.

Folk: Subscription to 'Dirty Linen' magazine requested.

Urban/Contemp: two magazine subscriptions requested.

FMphasis needs writers and folks willing to help out on layut, printing, etc.

Reggae has requested finances to order new CDs. The money for this will probably be taken out of the folk budget.

New DJs have received license applications and should be turning them in soon.

Meeting adjourned 5:55 p.m.

Respectfully submitted,

- Engineer discusses transmitter problems and how to fix them
- Discussion of preparation for WRMC sponsored concert for Friday, November 5, "The Dangerbunkers". Plan on security, promotions, set up, clean up, etc...
- More engineering problems the two channels transmit at different volumes over the air.
- Gene Swift announces that he is making more CART's and PSA.
- Business Office to announce post month's phone bill- all is ok.
- Now Song Music Catalog is handed out for music managers to consider buying music from.
- Women's volleys show announces that they've purchased a women's music catalog.
- The central discussion of their at WRMC. All the best CD's are stolen, but there is nothing that we, with our present budget, can do to stop it.
- 5:40 Meeting closed

Minutes for the WRMC Board Meeting of 29 November 1993

Meeting Started at 5:00 p.m.
Present: Jon Damour, John Colpitts, Jesse Cunningham, Shamoil Shipchandler, Grant Gibson, Stu Santee, David Shannon, Jason Mantzoukas
Late: Dan Greenwood, Jen Hazen, Gene Swift, Paolo Raden

- The lightning rod in Gifford was improperly installed; therefore, the broadcast went from the transmitter to the rod, causing some interference. Larry Meyer(?), the station engineer, must check to see if this problem no longer exists, although the problem is theoretically solved.
- The end of the semester means elections. Any member can be nominated for a WRMC Board position, but five WRMC staff members are needed for one nomination. A phonemail message will be sent out regarding nominations.
- Gene Swift said that Professor Barenboim wants to know if he could be reimbursed for a French tape purchased for his show. Barenboim also wants contacted when the station shuts down.
- The January concert date still needs filled.
- New scissors and pens are needed. It was noted that, for each order from the school store, a $1 surcharge is added. Therefore, purchases should be grouped together.
- David Shannon saw problems with the new Classical CDs; DJs might not play them. It is against station policy to force DJs to play certain CDs; however, given the nature of Classical shows, the 30% new music requirement of other departments could not be imposed. DJs will be encouraged to write comments on the WRMC labels on the covers of CDs.
- The new styli were purchased. Jason Mantzoukas liked the design on the package.
- WRMC does not have its new tape deck yet.
- Meeting adjourned at 5:31 p.m.

Respectfully Submitted,
David Shannon

WRMC Board Meeting
February 14, 1994

Minutes:

* Spring semester organizational meeting date set for Wednesday, February 16 at 7:30 p.m. in Dana Auditorium. All dj's are required to attend.

* WRMC will have a booth at the Feb. 13 activities fair.

* The station is scheduled to go back on the air Monday the 20th.

* Music Manager John Colpitts suggested:
  -- board members focus on dj's as people; encouraged face-to-face contact and active listening to shows
  -- would like to initiate a weekly produced show that would give an eclectic look at various bands; possible topics include Frank Zappa and Captin Beefheart
  -- a possible change in the programming / scheduling; 6-8a.m. special morning show and 8-11a.m. folk

* A listener survey for both the community and college was discussed

* An Indie show with several bands is being considered for spring

* *Inhale Mary* has requested to play Middlebury in the spring

* Shamoil Shipchandler suggested that the first issue of FMphasis be distributed by March 2

* In attendance were:

WRMC - Summer 1994

RECEIVED
OCT 13 1994

This summer, the station was up from 8am-midnight ~~every~~ seven days a week during the language schools. The programming was a mixture of classical, folk, rock, and language programming. Approximately 30 students of the language schools and student workers acted as djs. There were 15 language programs, in Arabic, Chinese, French, German, Spanish, and Russian,each 1-3 hours long. Some of these were single or groups of students who had shows every week, while others were class projects, with different students being involved every week (either through pre-taping or actually being in the station during the show).

The station was also a resource for language school parties. The French school had a show during a weekly party so that they could listen to French music. The Spanish and German schools often came in to tape music for mixes for their parties.

I think that it is very important for the radio station to stay open next summer. Not only would it be impossible to get out from under the mounds of mail and cds that would build up during an entire summer away, but it is a resource for language school students. They are not allowed to listen to English music, and the language programs give them a chance not only to listen to music, but to hear the news and learn a bit about the music and culture of the country that they are studying.

The major problem this summer was that neither of us had ever held the positions as station manager. For that reason, it took a while to learn what it was we were supposed to do. I think that it is probably not a good idea to have a first year student in the job unless they are very involved in the station.

WRMC - Summer 1994

This summer, the station was up from 8am midnight every seven days a week during the language schools. The programming was a mixture of classical, folk, rock, and language programming. Minutes from the WRMC Board Meeting of 10/31/1994
(That's the 130th anniversary of the admission of Nevada to the Union)

Present: A. Jenkins, M. Moser, J. Cunningham, S. Santee, J. Mantzoukas, G. Gibson, P. Raden, D. Shannon, J. Colpitts, B. Freiberg.

The meeting was called to order at 5:03 p.m.

Moser said that she is working on bringing someone in for the WRMC fall concert, and has been talking with Spore and Drip Tank toward that end. Mantzoukas added that Morphine is interested in performing here, but they cannot do so until January.

Mantzoukas said he talked to Pete Chenevert about thefts. Chenevert is supposed to scare thieves into returning stolen CDs.

As for the schedule which was to be printed out for this week, Mantzoukas called it his "worst living nightmare". The full schedule should be printed by next week's meeting.

Cunningham revealed that he had submitted WRMC's proposal for more space to the college's Space Committee. He is also dealing with license applications from new DJs.

Raden stated that the wait list for computers is long, but the Finance Committee might be able to procure a new one to replace the present WRMC computer. This one can't be used.

Colpitts wanted to know how he could give Brian Perry $25 to make a promotional poster for the station. He was told to refer it to the Finance Committee.

Shannon raised the Pablo Calvo issue. Calvo, who has the Saturday 3-5 p.m. show, broadcast a CD which repeatedly played a certain Pacifica word. When informed of FCC rules, he stopped playing the CD and immediately left the station (4:56 p.m.). Because Calvo stopped the CD when the issue was raised, no action will be taken.

Gibson is dealing with Jeff Albertson to rectify a discrepancy over WRMC's music budget.

Shannon ended the meeting by noting that his plan to get Classical DJs to play more music outside of the standard repertoire is highly effective.

The meeting was adjourned at 5:26 p.m.

The minutes were recorded by David Shannon.

WRMC Middlebury 91.1 fm, Middlebury College Radio
Minutes for Monday November 6, 1995

1) Jason: made a $6,000 bid for Spearhead on December 1st
need more co-sponsorship from Brainerd and Cook
can expect about $2,000 from ticket sales
doesn't endanger Spring concert budget, but the more co-sponsorship, the better
requesting IHC blackout major parties that night because it is World AIDS Day, and the Spearhead concert is an event lending support to AIDS awareness.
Wide Wale and The Pants will play on Nov. 17 at 9:30
it will be free admission, and will cost WRMC $500
Right after Wide Wale, Karyoke Hustler will play until 3am
and will cost about $200
ska band would like to perform in J-Term, will send tapes
2) Nathan: I never have anything to say
3) Promotions: Tuesday will finish up advertisements and promos with Pagemaker and Justin's help.
need Top 10 from all managers for advertisements
4) Howie: paintball was cancelled due to bad weather
Student Leadership Council is going on this week.
5) Amy: had wisdom teeth removed; it hurts
After Dark Series in town, and CD's to give away
6) Colleen: got new women's voices catalogue
7) Ian: writing article for FMphasis
8) Stu: eyebrows are growing back
got new program logs
9) David: refiling day for bad DJ's this Sunday
have to be forceful, so system works
will begin to take people off the air
10) Pablo: cracking down on urban DJ's who play industrial rather what they said they'd play
freestyle with 6 people from 9-11 all weekend long
11) Hannah: thinking of buying some new World CD's
12) Jon: now have sound on the internet web site
trying to get station to broadcast over the net
chart schedule will be put on net
invited to co-op with Berkeley magazine (a major net site)
got interview about FMphasis in LA Weekly from a writer from the Village Voice
13) News: Saturday's football game went well even though we lost
hockey starts soon
